Employment, Income & Poverty, 2006: Lincoln County

Labor Force

- Lincoln County's labor force, including employed and unemployed workers seeking employment, totaled 37,967 in 2006.
- The county's labor force grew by 9.2% between 2000 and 2006.

Unemployment

- Lincoln County's unemployment rate averaged 5.0% in 2006, compared to a statewide figure of 4.8%.
- Lincoln County's unemployment rate was higher in 2006 than it was in 2000.
- Some 1,915 people were unemployed and actively seeking work in Lincoln County in 2006, up from 1,315 people in 2000.

Income & Poverty

- Median household income in Lincoln County equaled \$38,433 in 2006 – an amount equivalent to 90.2% of the statewide figure.
- The county's per capita income of \$19,231 was \$3,714 less than the statewide level.
- The county's poverty rate of 13.9% was slightly lower than the statewide level of 14.7 percent.
- All together, 42.3% of the county's residents had incomes less than twice the federal poverty level (\$41,228 for a family of four).

Job Projections

- The Lincoln County area is expected to add 88,266 jobs between 2004 and 2014.
- Most of the jobs expected to add the most positions (e.g. cashiers, retail salespersons) offer low wages, few benefits and little upward mobility.
- The jobs expected to grow the most in percentage terms, like those in health fields, typically pay good wages but require workers with some type of postsecondary credential.
- Some 77% of the county's adults possessed no more than a high school degree in 2005.

Living Income Standard

- A working family with children needs to earn, on average, a total of \$18.59/hour to cover basic living expenses in Lincoln County.
