## Employment, Income & Poverty, 2006: Pitt County

### Labor Force

- Pitt County's labor force, including employed and unemployed workers seeking employment, totaled 76,671 in 2006.
- The county's labor force rose by 9.7% between 2000 and 2006.

### Unemployment

- Pitt County's unemployment rate averaged 5.3% in 2006, compared to a statewide figure of 4.8%.
- Pitt County's unemployment rate was higher in 2006, than it was in 2000.
- Some 4,043 people were unemployed and actively seeking work in Pitt County in 2006, up from 2,938 people in 2000.

### Income & Poverty

- Median household income in Pitt County equaled \$36,782 in 2006 – an amount equivalent to 86.3% of the statewide figure.
- The county's per capita income of \$21,017 was \$1,928 less than the statewide level.
- The county's poverty rate of 21.8% was higher than the statewide level of 14.7 percent.
- All together, 40.5% of the county's residents had incomes less than twice the federal poverty level (\$41,228 for a family of four).

### Job Projections

- The Pitt County area is expected to gain 37,480 jobs between 2004 and 2014.
- Most of the jobs expected to add the most positions (e.g. cashiers, retail salespersons) offer low wages, few benefits and little upward mobility.
- The jobs expected to grow the most in percentage terms, like those in health fields, typically pay good wages but require workers with some type of postsecondary credential.
- Some 60% of the county's adults possessed no more than a high school degree in 2005.

### Living Income Standard

- A working family with children needs to earn, on average, a total of \$16.43/hour to cover basic living expenses in Pitt County.
