

ONE NATION WORKING TOGETHER CAMPAIGN

ONE NATION North Carolina

“Let Justice Roll Down Like Waters...”

THE NATIONAL NAACP, AFL-CIO, NATIONAL COUNCIL OF LA RAZA AND A HOST OF NATIONAL SPONSORS MOBILIZE THOUSANDS TO MARCH ON WASHINGTON ON OCTOBER 2, 2010

WHO? We, The People of the United States of America—Nosotros el pueblo de los Estados Unidos de América standing together and demanding the change we voted for in 2008. ONE NATION WORKING TOGETHER is not just for one community, it is for ALL communities—“One Nation, indivisible with liberty and justice for all.” We hope to galvanize those who are deeply concerned about and affected by our struggling economy: our youth (College and Non College), women, faith communities, working class, poor, middle class, unionized and non-union public and private workers, the immigrant population, and social justice and human rights advocates.

WHAT? “ONE NATION WORKING TOGETHER” is not a moment but a movement organized and led by *We-The People of the United States of America*. It is about reordering our nation’s priorities to invest in our most valuable resource—our people. We believe that everyone deserves the opportunity to achieve the American Dream—a secure job, living wages, affordable and safe housing and a quality education for our children. We want to provide an opportunity for people who care about the current state and direction of our government, communities, families, jobs and economy—to stand together, lift our voices and be counted in Washington DC as the REAL face of America. We will stand and speak on behalf of the millions of North Carolinians who have been affected by the economic downturn in the past few years and reckless behavior of our State legislature and Congress. We are fighting to **put Americans back to work, force Congress to stimulate the economy on the ground and in our local communities, ensure the protection and civil rights and liberties of ALL people, and invest in a sound high-quality education for ALL youth**. Our Dream is simple—the American Dream.

WHEN AND WHERE? We will convene in **Washington on October 2, 2010 (10.2.10)** in front of the Lincoln Memorial. Whether we come by car, bus, plane or train—tens of thousands of people from across America will mobilize and march in solidarity as ONE Nation to demand change and fight for the security of our jobs, homes, economy, and children.
